

The NEW ENGLAND  
JOURNAL of MEDICINE

# Anytime. Anywhere. Any Device.

NEJM.org

INSTITUTIONAL  
REMOTE  
ACCESS

## Easier and More Flexible Access

- Anytime you need access to NEJM.org content and resources.
- Anywhere beyond the physical library or institutional IP range.
- Any device to pair, any device to access – provided you are signed in to your NEJM.org account.

## Pair Accounts, Not Devices

- Sign in to or create a free NEJM.org account using any device while simultaneously within your institution's network.
- Your institution's access rights will be automatically applied to your NEJM.org account for 90 days.
- Access is reauthenticated every time you sign in to NEJM.org while logged into your institutional network.

Make the most of your institution's NEJM.org subscription. Visit [NEJM.org/about-NEJM/institutional-remote-access](https://www.nejm.org/about-NEJM/institutional-remote-access) to learn more.
