EBSCO Health

Global Health

Unparalleled Access to the Latest Infectious Disease Research on a Global Level

From the latest research on infectious diseases such as Ebola to related issues of environmental and public health, Global Health provides coverage of the data that researchers need now.

Produced by CABI, this database was created to ensure that key literature from all sources can be brought quickly and easily to the attention of those working in the field. The database covers all aspects of public health at both international and community levels, as well as a wealth of material from other biomedical and life science fields.

CABI improves people's lives worldwide by providing information and applying scientific expertise to solve problems in agriculture and the environment.

For more information including a free trial, please contact EBSCO at www.ebsco.com/promo/GlobalHealth2016

Join more than 2,000 health information professionals from around the globe at Mosaic '16. You will bring home proven solutions that you can put to work right away.

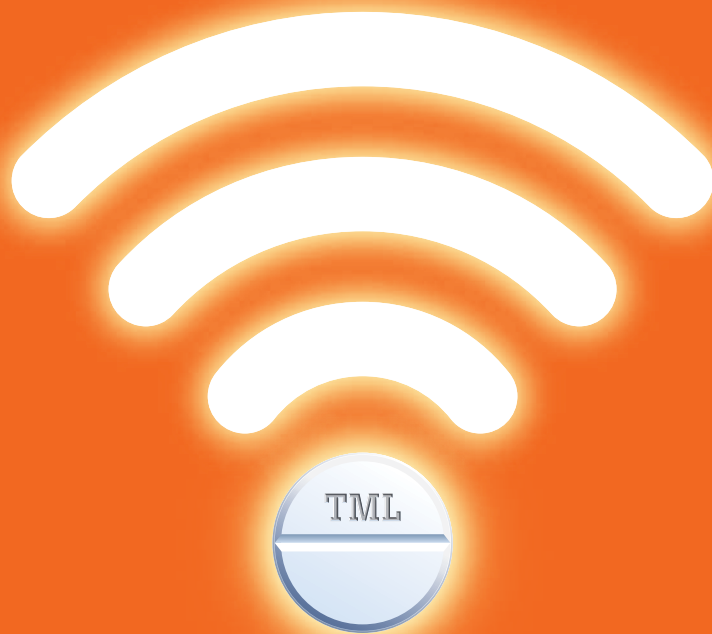

- ✓ Hear winning strategies from elite keynote speakers Ben Goldacre, M.J. Tooley, AHIP, FMLA, and Ellen Jorgensen.
- ✓ Learn to be a better health information leader with practical advice, new ideas, and best practices from your colleagues through papers, posters, and lightning talks.
- ✓ Choose from twenty-seven cutting-edge continuing education courses by rock star instructors.
- ✓ Connect with all your key suppliers in one place.
- ✓ Make new connections and rediscover familiar faces at receptions, the Presidents' Awards Dinner, meet ups, and industry events.
- ✓ Experience the meeting through online content, including a fully featured meeting and scheduling app.
- ✓ Meetings and the Hall of Exhibits, with over 100 exhibitors, will be at the Metro Toronto Convention Centre in the heart of the Entertainment District of Toronto, Ontario, Canada.

Invitation

Medical Librarians and Health Information Management Professionals,

The Medical Library Association (MLA), Canadian Health Libraries Association/Association des bibliothèques de la santé du Canada (CHLA/ABSC), and the International Clinical Librarians Conference (ICLC) invite you to join your colleagues in Toronto, Ontario, Canada, for "Mosaic: Be Part of the Big Picture!"

The 2016 Joint Planning Committee—with members from Canada, the United Kingdom, and the United States—has worked hard for the past three years to bring you a meeting combining the very best of MLA '16, CHLA/ABSC 2016, and the 7th ICLC.

MLA members last ventured north of the border to join their CHLA/ABSC friends in Vancouver, British Columbia, in May 2000. Sixteen years later, we are excited to return to Canada and to welcome ICLC into our partnership for a truly unique opportunity to connect with your international colleagues.

Toronto is one of the world's most cosmopolitan cities. Our theme, "Mosaic," reflects the city and its inhabitants by emphasizing the diversity of our experience, skills, and roles as information professionals. Mosaic features over 500 papers, posters, lightning talks, and special content sessions from more than 400 presenters from over a dozen countries around the world.

We invite you to look through the program. With so many options to choose from, you are sure to find content to meet all your needs.

We look forward to seeing you at Mosaic '16!

—Anne K. Seymour, Cochair, 2016 Joint Planning Committee

—Jeff Mason, Cochair, 2016 Joint Planning Committee

Bibliothécaires médicaux et professionnels de l'information en santé,

La Medical Library Association (MLA), l'Association des bibliothèques de la santé du Canada/Canadian Health Libraries Association (ABSC/CHLA), et l'International Clinical Librarians Conference (ICLC) vous invitent à vous joindre à vos collègues à Toronto, Ontario, Canada, pour « Mosaïque : Faites partie du portrait global! »

Le Comité mixte de planification 2016 —composé de membres provenant du Canada, du Royaume-Uni et des États-Unis—a travaillé fort au cours des trois dernières années afin de vous proposer un congrès combinant le meilleur de MLA '16, ABSC/CHLA 2016, et la 7^e édition d'ICLC.

Les membres de la MLA se sont aventurés au nord de la frontière en mai 2000 pour se joindre à leurs amis de l'ABSC/CHLA à Vancouver, Colombie-Britannique. Seize ans plus tard, nous sommes ravis de retourner au Canada et d'accueillir ICLC dans notre partenariat pour créer une opportunité unique de réseautage avec vos collègues internationaux.

Toronto est l'une des villes les plus cosmopolites du monde. Notre thème, « Mosaïque », reflète la ville et ses habitants tout en mettant l'accent sur la diversité de nos expériences, habiletés et rôles en tant que professionnels de l'information. Mosaïque met en vedette plus de 500 articles, affiches, séances-éclair et séances à contenu particulier offerts par plus de 400 présentateurs provenant de plus d'une douzaine de pays à travers le monde.

Nous vous invitons à parcourir le programme. Avec autant de choix, vous êtes certains de trouver du contenu qui répondra à vos besoins.

Nous avons hâte de vous voir à Mosaïque'16!

—Anne K. Seymour, Co-présidente, Comité mixte de planification 2016

—Jeff Mason, Co-président, Comité mixte de planification 2016

nature microbiology

Launching in January 2016

Nature Microbiology is interested in all aspects of microorganisms, be it their evolution, physiology and cell biology; their interactions with each other, with a host or with an environment; or their societal significance.

Nature Microbiology will provide a place where all researchers and policymakers interested in microorganisms can come together to learn about the most accomplished and significant advances in the field and to discuss topical issues. An online-only monthly journal, our broad scope will ensure that the research published reaches the widest possible audience of microbiologists.

Featured Speakers

Sunday, May 15
10:30 a.m.–11:55 a.m.

Photo Credit: John King 2012

John P. McGovern Award Lecturer Ben Goldacre

Sponsored by EBSCO Health

Ben Goldacre is an award-winning writer, broadcaster, and medical doctor who specializes in unpicking scientific claims made by scaremongering journalists, government reports, pharmaceutical corporations, public relations companies, and quacks. He was trained in medicine at Oxford and London, and currently works as an academic in epidemiology. Goldacre wrote the weekly “Bad Science” column in the *Guardian* from 2003–2011. His book, *Bad Science: Quacks, Hacks, and Big Pharma Flacks* (4th Estate, 2010), has sold over half a million copies worldwide, reached #1 in the paperback nonfiction charts, and has been published in 31 languages. In his second book, *Bad Pharma: How Drug Companies Mislead Doctors and Harm Patients* (4th Estate, 2012), Goldacre puts the \$600 billion global pharmaceutical industry under the microscope to reveal flaws throughout the ecosystem of evidence-based medicine. In October 2014, he published his collected journalism in a volume, titled *I Think You’ll Find It’s a Bit More Complicated Than That* (4th Estate).

Monday, May 16
9:00 a.m.–10:00 a.m.

Janet Doe Lecturer M.J. Tooley, AHIP, FMLA

M.J. Tooley, AHIP, FMLA, is associate vice president, Academic Affairs, and executive director, Health Sciences and Human Services Library, at the University of Maryland–Baltimore, where she has worked in various library positions since 1986. She is also the director of the National Network of Libraries of Medicine’s Southeastern/Atlantic Regional Medical Library, under contract with the National Library of Medicine at the National Institutes of Health. She received her master of library science degree from the University of Pittsburgh and her bachelor of science degree in education from Clarion State University (formerly, Clarion State College).

Tooley served as MLA president from 2005–2006 and was elected a Fellow of the association in 2009. She has also served on MLA’s Board of Directors (1998–2001) and as the chair of the 2004 National Program Committee. In 1997, she received the MLA Estelle Brodman Award for the Academic Medical Librarian of the Year.

Tooley is the author or coauthor of over 100 chapters, articles, presentations, or posters. Her professional interests include leadership, emerging trends, library innovation and design, ethics, and mentoring.

Wednesday, May 18
10:40 a.m.–noon

Closing Keynote Speaker Ellen Jorgensen

Dr. Ellen Jorgensen is cofounder and director of Genspace, a nonprofit community laboratory dedicated to promoting citizen science and access to biotechnology. In 2011, she initiated Genspace’s award-winning curriculum of informal science education for adults, and in 2014, Genspace was named one of the World’s Top 10 Innovative Companies in Education by *Fast Company* magazine. Jorgensen’s efforts to develop Genspace into a haven for entrepreneurship, innovation, and citizen science have been chronicled by *Nature Medicine*, *Science*, *Discover Magazine*, *Wired*, *Make*, *BBC News*, *The Economist*, *Forbes*, *PBS News Hour*, *Discovery Channel*, and the *New York Times*. Jorgensen has a doctorate in molecular biology from New York University, spent thirty years in the biotech industry, and is currently adjunct faculty at New York Medical College, the School of Visual Arts, and Cooper Union. Jorgensen’s talk, “Biohacking: You Can Do It, Too,” at TEDGlobal 2012 has received over a million views.

About Mosaic '16

Mosaic '16 is where thought leaders, health information professionals, excellent education, exhibits, and networking come together for you to learn new information and create new connections.

A special joint meeting of MLA and the Canadian Health Libraries Association/Association des bibliothèques de la santé du Canada (CHLA/ABSC) last occurred sixteen years ago. We are excited to join together again along with the International Clinical Librarian Conference (ICLC) for "Mosaic: Be Part of the Big Picture."

Register online (www.mlanet.org/page/registration-rates-and-information) or use the form on page 23. Book your hotel room at one of the official hotels (page 28). Staying in an official hotel provides the best networking and saves money by lowering meeting costs.

Itinerary Planner (app sponsored by Elsevier ClinicalKey): With the online planner or mobile app (app sponsored by Elsevier ClinicalKey), you can view the schedule of events, abstracts, and presentation details in real time. You can also view speaker photos, biographies, video references, audio presentations, handouts, slides, list of attendees, and exhibitors. Use the planner to create a custom meeting agenda that best meets your needs.

Online Meeting Content (sponsored by Wolters Kluwer): View video of featured speakers and audio for papers and lightning talks synchronized with slides. See and interact with the 200+ posters in the online poster gallery. Global search tools help you navigate. Online tools and content are included with your conference or e-conference registration.

Colleague Connection

Colleague Connection pairs first-time attendees with experienced members. If this is your first MLA meeting or if you'd like to help a newer member maneuver the meeting, please contact Tomi Gunn at gunn@mail.mlahq.org by Friday, April 29. Once assigned, pairs work out their own meeting schedules.

Saturday, May 14

4:30 p.m.–5:15 p.m.

CHLA/ABSC First Timers' Reception

New to the association? First time attending the meeting? The CHLA/ABSC Board of Directors invites new members and first-time meeting attendees to come join them for a drink and informal networking with colleagues prior to the Opening of the Hall of Exhibits. In the spirit of Mosaic '16, new members and first timers from MLA and ICLC are also welcome to attend!

Sunday, May 15

7:00 a.m.–8:55 a.m.

New Members/First-Time Attendees Program

Sponsored by Wolters Kluwer

Invited Event.

Are you a new MLA member or an MLA member attending your first MLA annual meeting? To receive an invitation, please check the box on the registration form. Invitations will be emailed about four weeks before the meeting. You must RSVP to gain admittance.

Networking Events

Saturday, May 14

4:30 p.m.–5:15 p.m.

CHLA/ABSC First Timers' Reception

New to the association? First time attending the meeting? The CHLA/ABSC Board of Directors invites new members and first-time meeting attendees to come join them for a drink and informal networking with colleagues prior to the Opening of the Hall of Exhibits. In the spirit of Mosaic '16, new members and first timers from MLA and ICLC are also welcome to attend!

5:30 p.m.–7:30 p.m.

Welcome Reception and Opening of the Hall of Exhibits

Sponsored by NEJM Group

Reconnect with colleagues, make new contacts, and check out the exhibits at the Welcome Reception. The exhibit hall will feature more than 100 exhibitors offering a wide range of products and services to meet the needs of the health information profession. One ticket is included with your registration. Purchase additional tickets on the registration form.

Sunday, May 15

noon–1:55 p.m.

Chapter Council Presents Chapter Sharing Roundtables

Ticketed event. **Registrations must be received by May 1, 2016.** Registrations without a topic selection will not be processed.

Attend the Chapter Council Presents Chapter Sharing Roundtables for a boxed lunch, informal discussion, and exchange of ideas. Please indicate dietary restrictions on your registration form. For details, see MLANET (www.mlanet.org/page/general-information).

Cost: \$30 (CAD\$38 for Canadian residents only)

Topics

- | | |
|--|---|
| A. Altmetrics | H. iPads in the Curriculum, Clinics, and the Library |
| B. Consumer Health | I. Issues in Hospital Librarianship |
| C. Data Curation | J. Library Redesign |
| D. Embedded Librarians | K. Literature Searches to Support Systematic Reviews |
| E. How to Promote You and the Library | L. Online Researcher and Contributor ID (ORCID) |
| F. Integrating Library Resources into the Electronic Health Record | M. Teaching Evidence-Based Medicine to Students and Faculty |
| G. Integrating You and the Library into the Curriculum | |

4:30 p.m.–5:25 p.m.

Open Forums

These engaging interactive sessions cover timely association issues. Give your input and learn about what's coming in the next year.

6:00 p.m.–7:00 p.m.

International Visitors Reception

Sponsored by NEJM Group

For International Cooperation Section members and international attendees.

Library School Reunion

Open to library school alumni. No registration required.

Monday, May 16

3:30 p.m.–4:55 p.m.

CHLA/ABSC Chapter Presidents' Roundtable

CHLA/ABSC chapter presidents are invited to help the incoming president plan the future of the association. This invitation-only event replaces the traditional Chapter Presidents' Lunch for 2016.

Tuesday, May 17

9:00 a.m.–10:25 a.m.

Business Meeting, Presidential Inaugural, and MLA '17 Invitation

Attend this combined business meeting to hear from incoming president Teresa L. Knott, AHIP, and to participate in a discussion and vote on changes to MLA's Bylaws.

noon–1:25 p.m.

CHLA/ABSC Annual General Meeting and Lunch

Come hear about the CHLA/ABSC's accomplishments for 2015–2016 and plans for the coming year. All CHLA/ABSC members and those interested in joining the association are welcome to attend.

1:00 p.m.–1:55 p.m.

Legislative Update

Join MLA's Governmental Relations Committee for this program, which will provide an overview of health funding, public access, and other relevant and timely issues and legislation.

4:30 p.m.–5:55 p.m.

CHLA/ABSC Interest Group Meetings

Join your interest group colleagues for some informal discussion and face-to-face networking.

6:30 p.m.–10:00 p.m.

Presidents' Awards Dinner

Ticket required. One ticket is included with multiday meeting registration. Additional tickets are available for purchase.

The presidents of MLA and CHLA/ABSC present a gala buffet dinner for all attendees to honor MLA and CHLA/ABSC award recipients and to celebrate the 40th anniversary of CHLA/ABSC. You will not want to miss this event, hosted in one of Toronto's most elegant event venues, the Canadian Room in the Fairmont Royal York Hotel. Music and merriment immediately follow the awards ceremony and buffet dinner. Bring your dancing shoes!

Plan Your Time Online

Sponsored by Wolters Kluwer

Beginning in March, use MLA's online program planner to navigate the meeting, choosing the programs, meetings, and events you wish you attend. Watch MLA-FOCUS for details!

Stay in the MLA room block at the Fairmont Royal York, Toronto, or InterContinental Toronto Centre for free in-room WiFi. Complimentary WiFi will also be available throughout the Metro Toronto Convention Centre.

Get the latest news on Mosaic '16 from the meeting bloggers at www.mlanet.org/fullspeedahead.

Twitter

Follow the meeting at #mlanet16.

Professional Content Sessions

Program Sessions

Program sessions will feature papers, lightning talks, and special content sessions. Special content sessions may include a panel of invited speakers, a single invited speaker, a facilitated book discussion, and so on. Look for specifics on MLANET and on the online scheduler, opening in March.

Sunday, May 15 3:00 p.m.–4:25 p.m.

Monday, May 16 10:30 a.m.–11:55 a.m.
and 1:00 p.m.–2:25 p.m.

Tuesday, May 17 3:00 p.m.–4:25 p.m.

Wednesday, May 18 9:00 a.m.–10:25 a.m.

Poster Sessions

Poster Session 1: Sunday, May 15 2:00 p.m.–2:55 p.m.

Poster Session 2: Monday, May 16 2:30 p.m.–3:25 p.m.

Poster Session 3: Tuesday, May 17 2:00 p.m.–2:55 p.m.

Posters will be located in the Hall of Exhibits. Attendees can view peer-reviewed posters on MLANET about three weeks before the meeting.

Tech Trends

This popular session takes place at its own dedicated time, Monday, May 16, 5:00 p.m.–6:25 p.m.

Advance Your Career

Job Seekers

Job Placement Center

Saturday, May 14 9:00 a.m.–3:00 p.m.

Sunday, May 15 10:00 a.m.–5:00 p.m.

Monday, May 16 10:00 a.m.–5:00 p.m.

Tuesday, May 17 9:00 a.m.–noon

Register with the free Job Placement Center by completing the forms available at www.mlanet.org/meeting, calling 312.419.9094 x11, or emailing gunn@mail.mlahq.org. The deadline for all forms is Friday, April 29.

MLA Resume Clinic

Sign up to have your cover letter, resume, or CV reviewed. Participants will have 15–20 minutes with a reviewer, who will offer advice and tips for improvement.

The resume clinic is available during MLA Job Placement Center hours on Saturday, May 14, Sunday, May 15, and Monday, May 16.

Watch MLA-FOCUS and MLANET for sign-up information. Please send your information in advance to gunn@mail.mlahq.org.

MLA Academy Applicants

Stop by the academy booth in the registration area to learn more about the Academy of Health Information Professionals and get one-on-one guidance. Academy experts will be staffing the booth, ready to answer questions and review your portfolio.

Monday, May 16

2:30 p.m.–3:25 p.m.

Academy of Health Information Professionals Q&A Session

Come with your questions about the academy! MLA's Credentialing Committee will provide an overview followed by a question-and-answer session.

Make a Smart Career Move

Join the Academy of Health Information Professionals

To apply, visit www.mlanet.org/page/ahip for an application and further information, or contact the professional development department at gunn@mail.mlahq.org.

Informal Meetings Notice

MLA reserves blocks of time during Mosaic '16 for informal meetings and other events. Requests outside these times cannot be accommodated. If you are an affiliate, non-MLA/CHLA/ABSC/ICLC group, exhibitor, or commercial group, you will be charged for reserving informal meeting space. To find more information and to reserve informal meeting space, complete an application, available at mla16.heiexhibitors.com/mla16-meeting-space-application.

By contract, all meeting space is controlled by Mosaic '16 during the annual meeting. Calls to the convention center or hotel for space will be forwarded to the meeting manager for approval.

Mosaic '16 Exhibit Hall Location

Metro Toronto Convention Centre
North Building, 255 Front Street West, Toronto, ON, M5V 2W6, Canada
416.585.8000 | www.mtccc.com

Exhibit Hours

Saturday, May 14 5:30 p.m.–7:30 p.m.;
ticketed event: Welcome Reception/
Opening of Exhibits, *Sponsored by NEJM Group*

Sunday, May 15 noon–5:00 p.m.: exhibits open

Monday, May 16 10:00 a.m.–4:00 p.m.: exhibits open

Tuesday, May 17 10:15 a.m.–3:00 p.m.: exhibits open

Technology Showcase

A theater-style setting is open for exhibitor presentations of the latest technologies. Running throughout the day, these sessions are an opportunity for attendees to get a first look at new technology.

Exhibitors (as of January 8, 2016)

For information on exhibiting at Mosaic '16, visit mla16.heiexhibitors.com, or contact Greg Andruch, Hall-Erickson, at 630.434.7779; mla@heiexpo.com.

Hall of Exhibits

Continuing Education Courses

Registration and Fees

Registration is handled on a first-come, first-served basis, and no waiting lists are maintained. You do not have to register for the meeting to register for Mosaic '16 courses. Room assignments will be listed in the *Official Program*. Some instructors have established a maximum attendance size, so register online now or send in the registration form on page 23 today.

Student fee, pending available space: \$50 (CAD64 for Canadian residents only). Nonmember rate includes 1-year introductory membership to MLA, except for non-member fee for CE305. Cancellation or course change fee: \$50 (CAD64 for Canadian residents only) per course (see page 22 for refund policy and deadlines).

Participant handouts for CE courses will be made available electronically. Attendees will be required to print their own set of handouts to bring along to the course. MLA will send out a confirmation prior to the CE course if you are required to print and bring your own handouts.

Special Course Suites

Consumer Health Information

These courses present the latest resources and ideas in the consumer health information field.

Data Management

These courses provide the latest information and resources in the field of data management.

Evidenced-Based Practice

These courses emphasize the librarian's role in the practice of evidence-based health care.

Expert Searching

These courses emphasize librarians' roles as expert searchers in health care and biomedical research.

Management

These courses address topics relevant to library administration for current managers and individuals interested in management.

Hands-on Computer Courses

All hands-on computer courses will be held at an offsite facility in Toronto and not at the Fairmont Royal York, Toronto, or the Metro Toronto Convention Centre. The facility will be named in the *Official Program*. Transportation from the hotel to the facility will be provided, if necessary. Hands-on courses are marked as part of the course description with the hand icon.

Professional Competencies

Courses are organized in tracks according to the professional competency areas described in *Competencies for Lifelong Learning and Professional Success*, MLA's educational policy statement (www.mlanet.org/page/competencies).

- 1005** Health sciences and health care environment and information policies
- 2005** Leadership and management theory and techniques
- 3005** Health sciences information services
- 4005** Health sciences information resource management
- 5005** Information systems and technology
- 6005** Curricular design and instruction
- 7005** Research, analysis, and interpretation

10:00 a.m.–5:00 p.m.

M CE201 Leading the Way: Preparing For and Enhancing Your Leadership Role

Level: Beginning+

Cost: \$290 (nonmember: \$520)

CAD: \$371 (nonmember: \$665)

Attendance maximum: 30

Work through exercises and case studies to explore leadership styles, goals in leading others, any perceived challenges, and necessary steps required to make positive progress in reaching goals. The instructors will facilitate discussion related to challenges in establishing your leadership, help you to identify methods to transition effectively into leading, and explore how to measure success.

Instructors: Lindsay Alcock, Head, Public Services, Health Sciences Library, Memorial University of Newfoundland–St. John's; Ken Carriveau, Director, Delivery Services, Baylor University Libraries, Waco, TX; Robyn Reed, Head, Access Services, Schaffer Library, Union College, Schenectady, NY; Kelly Thormodson, Assistant Director, Harley E. French Library of the Health Sciences, School of Medicine and Health Sciences, University of North Dakota–Grand Forks; and Martin Wood, AHIP, Assistant Director, Maguire Medical Library, Florida State University College of Medicine–Tallahassee

ES CE300 Advanced Searching Techniques and Advanced Strategy Design

Level: Advanced

Cost: \$365 (nonmember: \$635)

CAD: \$467 (nonmember: \$812)

Attendance maximum: 25

Explore issues around search design and techniques for undertaking literature searches of complex topics to inform high-quality comparative effectiveness research, systematic reviews, guideline development, and other major projects. Learn new techniques and software tools for developing search strategies, best approaches to search design including search term identification and concept development, insights into search design for complex questions, and variations in current best practice.

Instructors: Julie Glanville, MCLIP, Project Director, York Health Economics Consortium, University of York, York, United Kingdom, and Carol Lefebvre, HonFCLIP, Independent Information Consultant, Lefebvre Associates, Oxford, United Kingdom

CE500 Expand Your Library Instruction Toolkit: Introduction to Online and Distance Learning Support

Level: Beginning+

Cost: \$365 (nonmember: \$635)

CAD: \$467 (nonmember: \$812)

Attendance maximum: 20

Learn basic strategies and tools for developing online and distance learning materials. Plan and create an activity or materials for your online students, such as a self-intro or how-to video, an interactive real-time poll, or a collaborative workspace. Ideas will be provided, but bringing your own assignment or project is ideal.

Instructors: Virginia Pannabecker, Health, Life Science, and Scholarly Communication Librarian, University Libraries, Virginia Tech–Blacksburg, and Margaret Hoogland, AHIP, Distance Support Librarian, A. T. Still Memorial Library, A. T. Still University of the Health Sciences, Kirksville, MO

8:00 a.m.–noon

CHIS CE301 Health Literacy 360

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 20

This course aims to be a holistic coverage of health literacy for the librarian, moving from awareness to the incorporation of health literacy principles in current service practices to the adoption of new services by identifying stakeholders at their institutions.

Instructors: Andrea Szwajcer, AHIP, Clinical Librarian, University of Manitoba Libraries, St. Boniface Hospital, Winnipeg, MB, Canada, and Lara Killian, AHIP, Librarian Educator, Patient Education, Library, Nova Scotia Hospital–Dartmouth, Canada

CE700 Facilitating Your Focus Group: Running Effective Focus Groups in Health Library and Information Science (LIS) Research, Evaluation, and Audit

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 20

Service evaluation is a key aspect of the role of health library and information science (LIS) professionals.

The use of focus groups is a popular approach to data collection. This session aims to support those interested in beginning a work-based project using a focus group as the main method of data collection.

Instructor: Hannah Spring, Senior Lecturer, Research and Evidence Based Practice, Faculty of Health and Life Sciences, York St John University, York, United Kingdom

CE701 Research by Design: Proposing, Planning, and Carrying Out a Research Project for the Practicing Librarian

Level: Intermediate

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Using examples from health sciences librarianship, participants will explore different types of research projects accomplished by hospital and academic librarians as inspiration. Learn practical strategies and tips for incorporating research into your daily routines! Participants will leave the workshop with an outline of steps for a research project, making it that much closer to a reality.

Instructor: Lorie Kloda, AHIP, Assessment Librarian, McLennan Library, McGill University, Montreal, QC, Canada

1:00 p.m.–5:00 p.m.

CE100 Oral History Workshop: Conducting, Collecting, and Archiving

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Learners in this workshop will discover the fundamental concepts of developing an oral history project and the interview process. By the end of the workshop, participants will know about subject selection, interview preparation, equipment usage, how to conduct interviews, and issues related to preservation.

Instructor: David J. Caruso, Director, Center for Oral History, Chemical Heritage Foundation, Philadelphia, PA

ES CE400 Grey Horizons: Grey Literature Searching for New and Emerging Health Technologies

Level: Intermediate

Cost: \$315 (nonmember: \$560)

CAD: \$403 (nonmember: \$716)

Attendance maximum: 25

Searching for information on new and emerging health technologies is challenging and time consuming. Discover best practices for locating grey literature on cutting-edge health technologies in this hands-on course.

Instructors: Monika Mierzewski-Urban, Information Specialist, Canadian Agency for Drugs and Technologies in Health, Ottawa, ON, Canada; Kelly Farrah, AHIP, Information Specialist, Canadian Agency for Drugs and Technologies in Health, Ottawa, ON, Canada; and Sarah Bonato, Reference/Research Librarian, Centre for Addiction and Mental Health (CAMH), Toronto, ON, Canada

CE501 APPsense Makes the Patrons Grow Fonder: Mobile Resources in the Health Sciences

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Interested in the latest and greatest mobile apps? Join us to learn about: functions and features of mobile devices; health care and library apps; use of apps in library outreach, circulation, curriculum, and support; and evaluation of apps. Bringing your own device is encouraged.

Instructors: Maureen (Molly) Knapp, AHIP, Research Support and Education Librarian III, Rudolph Matas Library of the Health Sciences, Tulane University, New Orleans, LA; Elizabeth C. Whipple, AHIP, Research Librarian, Ruth Lilly Medical Library, Indiana University School of Medicine–Indianapolis; and Kimberley R. Barker, Emerging Technologies and Digital Initiatives Librarian, Claude Moore Health Sciences Library, University of Virginia–Charlottesville

DM CE702 Data Sharing and Reuse: Roles for Health Sciences Librarians

Level: Intermediate

Cost: \$315 (nonmember: \$560)

CAD: \$403 (nonmember: \$716)

Attendance Max: 25

Learn tools and skills to help support research data sharing and reuse, including developing policies regarding sharing data, preparing data for sharing, and locating and preparing datasets for reuse. Participants will be introduced to free software to facilitate sharing and organization of data.

Instructor: Lisa Federer, Research Data Informationist, NIH Library, National Institutes of Health, Bethesda, MD

Saturday, May 14

8:00 a.m.–5:00 p.m.

ES CE302 Becoming an Expert Searcher

Level: Beginning+

Cost: \$405 (nonmember: \$695)

CAD: \$518 (nonmember: \$889)

Attendance maximum: 25

What constitutes an expert search? Who can be an expert searcher? This class looks at these questions and practices methods (reference interview, database analysis, search construction, and search evaluation) used by expert searchers. Learn some advanced search techniques for PubMed, and create a self-study plan to hone your skills.

Instructor: Terry Ann Jankowski, AHIP, FMLA, Assistant Director, User Experience, Health Sciences Library, University of Washington–Seattle

CE305 Librarians without Borders®: HINARI and Internet-Based Information Resources for Health Professionals in Low and Emerging Income Countries

Level: Beginning+

Cost: \$50 (nonmember: \$50)

CAD: \$64 (nonmember: \$64)

Attendance maximum: 25

The course will cover searching strategies, evaluation of

Internet-based health information, key features of HINARI, and PubMed options for accessing HINARI resources and free literature, plus an overview of health information on the Internet, including gray literature, e-journal, e-book, and evidence-based medicine resources.

Note: Attendees will be required to bring a laptop computer or other device with WiFi capability to participate in hands-on activities.

* Nonmember fee for CE305 does not include one-year introductory membership to MLA.

Instructors: Lenny Rhine, FMLA, Coordinator, E-Library Training Initiative, Librarians without Borders®, MLA, and Karin Saric, Librarian, Norris Medical Library, University of Southern California–Los Angeles

10:00 a.m.–5:00 p.m.

ES CE303 Searching ClinicalTrials.gov, the World Health Organization Portal (ICTRP), and Regulatory Agency Websites to Identify Clinical Trials for Systematic Reviews and Other Clinical and Research Questions

Level: Intermediate

Cost: \$365 (nonmember: \$635)

CAD: \$467 (nonmember: \$812)

Attendance maximum: 25

Increasing interest in and awareness of the importance of clinical trials and their results has seen the development of a large number of trials registers and trials results registers. This course will

highlight key trials registers and trials results registers, including ClinicalTrials.gov, the World Health Organization's Clinical Trials Register Portal, and industry registers, and will offer practical advice on searching registers and managing register records.

Instructors: Julie Glanville, MCLIP, Project Director, York Health Economics Consortium, University of York, York, United Kingdom, and Carol Lefebvre, HonFCLIP, Independent Information Consultant, Lefebvre Associates, Oxford, United Kingdom

CE601 Library Instructional Design

Level: Beginning+

Cost: \$290 (nonmember: \$520)

CAD: \$371 (nonmember: \$665)

Attendance maximum: 20

The Library Instructional Design (LID) continuing education course provides training in planning, designing, implementing, and evaluating instruction and includes opportunities to share best instructional design practices among library instructors. The course includes lectures, discussions, learning activities, demonstrations, and showcases. Participants may receive reading and reflection activities prior to the session.

Instructors: Mary Edwards, AHIP, Reference and Liaison Librarian and Assistant University Librarian, Health Science Center Libraries, University of Florida–Gainesville, and Judith Murphy Roberts, Instruction Consultant and Training Program Coordinator, George A. Smathers Libraries, University of Florida–Gainesville

8:00 a.m.–noon

DM CE401 Perspectives in Research Data Management

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 30

This course will provide context on the research process and cover best practices in data management, issues around storage and preservation of data, the current climate around data sharing, and tools to assist researchers. The course will be a mix of lecture, a hands-on case study, and group exercises.

Instructors: Alisa Surkis, Translational Science Librarian, and Kevin Read, National Library of Medicine Associate Fellow, Ehrman Medical Library, New York University School of Medicine–New York

CE600 Librarian and Active Learning Models: Team-Based Learning (TBL), Problem-Based Learning (PBL), and Case-Based Learning

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 20

Contemporary medical education uses a variety of active learning strategies. Experience the movement away from didactic instruction! Learn to apply active learning models to library instruction and to teach the use of resources at the point of need in the medical curriculum.

Instructors: Susan Cavanaugh, Evidence-Based Medicine Librarian, and Sharon Whitfield, Emerging Technologies Librarian, Cooper Medical School, Rowan University, Camden, NJ

Continuing Education Courses

EBP CE703 Evidence-Based Medicine (EBM)/Evidence-Based Practice (EBP): The Basics: Study Design and Randomized Controlled Trials

Level: Intermediate

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 30

This engaging course will give learners an introduction to evidence-based practice (EBP) research by exploring the study designs in clinical medicine: the types of questions they address, how they are conducted, and their strengths and weaknesses. The course will also look closely at a randomized controlled trial and discuss the criteria used to critically appraise the methodology—a first step in determining if the results are useful.

Instructor: Connie Schardt, AHIP, FMLA, Adjunct Faculty, School of Library and Information Science, University of North Carolina–Chapel Hill

CE704 ABCs of Research Impact: Altmetrics, Bibliometrics, and Citations

Level: Beginning

Cost: \$315 (nonmember: \$560)

CAD: \$403 (nonmember: \$716)

Attendance maximum: 25

Demonstrate the impact of research through scholarly publications and social media attention, using bibliometrics and altmetrics tools. In this half-day, hands-on workshop, you will learn to create research impact statements that will illustrate how research products are being cited, discussed, and used.

Instructor: Robin Featherstone, Information Specialist, Alberta Research Centre for Health Evidence (ARCHE), Department of Pediatrics, Edmonton Clinic Health Academy, University of Alberta–Edmonton

1:00 p.m.–5:00 p.m.

CE101 Doing What Is Right: Ethics and Health Sciences Librarians

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 30

Health sciences librarians deal with a variety of ethical issues as we work to protect patrons' rights to privacy, confidentiality, and intellectual freedom. Participants in this class will use a series of discussions, exercises, and video clips to examine ethical issues and explore models to support ethical decision making.

Instructors: Priscilla L. Stephenson, AHIP, Chief, Library Service, Crescenz VA Medical Center, Philadelphia, PA, and Mary Virginia Taylor, Librarian, Medical Library, Overton Brooks VA Medical Center, Shreveport, LA

CE304 Genes in the Library: Concepts and Resources in Genetics and Bioinformatics

Level: Beginning+

Cost: \$315 (nonmember: \$560)

CAD: \$403 (nonmember: \$716)

Attendance maximum: 25

Come explore the basics of genetics and molecular biology, including DNA, RNA, protein production, and some “big data” studies. We will also examine a variety of tools and databases relevant to these areas of research, education, and clinical practice, with hands-on introduction to a selection of these resources.

Instructor: Helene R. McMurray, Head, Bioinformatics Consulting and Education Service, Edward G. Miner Library, and Assistant Professor, Biomedical Genetics, University of Rochester Medical Center, Rochester, NY

CE402 Fundamentals of Data Visualization

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Data can be engaging, informative, and exciting when presented with clarity and style. This class will teach the fundamental aspects of visual perception, graphical design, information presentation, and how libraries can be visualization experts! A picture may be worth a thousand words, but excellent visualization of data is priceless.

Instructor: Jacqueline Wirz, Research Data Specialist, Library, and Director, Professional Development and Graduate Student Affairs, School of Medicine, Oregon Health & Science University–Portland

CE403 Beyond Readability Formulas: Writing Clear and Effective Patient Education and Communication Materials

Level: Beginning

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 25

Overreliance on readability formulas and readability scores is a common mistake that health care professionals make when writing materials for patients. Participants will learn to recognize elements that hinder understanding and utilize language, layout, formatting, and design methodologies that aid learners in comprehending and retaining information about their health.

Instructor: Ruti Volk, AHIP, Patient Education Librarian, University of Michigan Health System–Ann Arbor

CE705 Supporting Systematic Reviews: The Basics

Level: Beginning+

Cost: \$240 (nonmember: \$445)

CAD: \$307 (nonmember: \$569)

Attendance maximum: 16

Have you been asked to participate in the development of a systematic review? This workshop is about how librarians can be part of the systematic review team and contribute to the process. Through hands-on, case-based learning, and informal discussion, you will acquire skills needed to be a crucial part of the systematic review process.

Instructors: Janene Batten, Nursing Librarian, Harvey Cushing/John Hay Whitney Medical Library, Yale University, New Haven, CT, and Angela Myatt, Curriculum Liaison Librarian, Briscoe Library, University of Texas Health Science Center–San Antonio

Two-Hour Courses

8:00 a.m.–10:00 a.m.

CE306 Serving Mental Health Clients in Your Library

Level: Beginning

Cost: \$120 (nonmember: \$260)

CAD: \$153 (nonmember: \$332)

Serving mental health clients in the library can be a daunting experience. Issues of fear and uncertainty, stigma, and assumptions are often in the forefront of these interactions. This session's overall goal is to improve these interactions and give library staff members the knowledge and tools to approach interactions with all library patrons with confidence.

Instructor: Brooke Ballantyne Scott, Librarian, Library Services, Royal Columbian Hospital, New Westminster, BC, Canada

CE404 Literature Surveillance Apps: Tools for the Next Generation of Table of Contents Notification Services

Level: Beginning+

Cost: \$120 (nonmember: \$260)

CAD: \$153 (nonmember: \$332)

BrowZine, Docphin, DocWise, Read by QxMD: what are these tools and what do they do? “Literature surveillance apps” are table-of-contents monitoring services for phones and tablets. This two-hour course will explore how they work. Bring your own device, and leave with ideas for incorporating these tools into your library.

Instructor: Maureen (Molly) Knapp, AHIP, Research Support and Education Librarian III, Rudolph Matas Library of the Health Sciences, Tulane University, New Orleans, LA

CE706 Improve Your Data! How to Use Surveys Effectively in Health Care Library and Information Science (LIS) Research, Evaluation, and Audit

Level: Beginning+

Cost: \$120 (nonmember: \$260)

CAD: \$153 (nonmember: \$332)

Attendance maximum: 20

In the LIS professions, the use of surveys is a common and popular approach to data collection in research. Good survey design is key to gathering high-quality data. This session is aimed at supporting health information professionals who are interested in beginning a work-based research project that uses survey techniques.

Instructor: Hannah Spring, Senior Lecturer, Research and Evidence Based Practice, Faculty of Health and Life Sciences, York St John University, York, United Kingdom

Three Ways to Register

1. Register online at www.mlanet.org/meeting
2. Mail your registration form with payment to CDS-MLA, 107 Waterhouse Road, Bourne, MA 02532
3. Fax your registration form with credit card payment to 508.743.9662

Register by March 31, 2016, to receive the early-bird discount and save \$110! After May 6, bring the form to the Registration Desk at the Metro Toronto Convention Centre for onsite registration.

If you have questions about registration, contact Susan Chesniak, chesniak@mail.mlahq.org or 312.419.9094 x18, or Ray Naegele, naegele@mail.mlahq.org or 312.419.9094 x17.

How to Register

Registration Hours

Meeting materials will be distributed at the MLA Registration Desk.

Thursday, May 12	4:00 p.m.–7:00 p.m.
Friday, May 13	7:00 a.m.–7:00 p.m.
Saturday, May 14	7:00 a.m.–7:30 p.m.
Sunday, May 15	7:00 a.m.–5:00 p.m.
Monday, May 16	7:00 a.m.–5:00 p.m.
Tuesday, May 17	7:00 a.m.–5:00 p.m.
Wednesday, May 18	7:00 a.m.–1:00 p.m.

Payment

Registration must include payment in either US or Canadian dollars (CAD) for Canadian residents only. CAD amounts are listed on the registration form in parentheses: \$539 (689).

Acceptable payment options are: check (payable to MLA), money order, Visa, MasterCard, American Express, Discover, or electronic funds/wire transfer (EFT). If you are an MLA or a CHLA/ABSC member and would like to be invoiced, include a purchase order, with payment due by May 18. After that date, a late payment fee of \$80 (CAD102) will be charged.

Fax registrations to 508.743.9662 with credit card or purchase order information.

For EFT instructions, contact MLA, Susan Chesniak, chesniak@mail.mlahq.org or 312.419.9094 x18.

To pay by Canadian credit card, circle the Canadian dollar amounts on the registration form, check the box "Pay by Canadian credit card." Do not enter your credit card information. After registration is processed, you will receive a Mosaic '16 invoice/receipt by email. It will have a secure online payment link to enter your Canadian credit card information. When payment is complete, you will receive an updated receipt.

If you have payment questions, see the Mosaic '16 FAQ on MLANET or contact Susan Chesniak at chesniak@mail.mlahq.org or 312.419.9094 x18.

Registration Packages

All registrants will have online access to audio recordings of most meeting sessions.

Posters will be live online a few weeks prior to the meeting.

Benefits	Packages		
	A	B	C
Online access to audio sessions with electronic presentations	X	X	X
Access to streaming video of keynote and other select plenary sessions	X	X	X
Access to posters before, during, and after the meeting	X	X	X
Access to program, abstract book, and list of attendees	X	X	X
Access to program planner	X	X	X
Admission to meeting sessions and Hall of Exhibits	X	X	
1 Ticket to the Welcome Reception	X		
1 Ticket to the Presidents' Awards Dinner	X		

For the discounted fees listed on the registration form, register before midnight, central time, Thursday, March 31, 2016, and save \$110.

Package A: Meeting Registration

Includes admission to all sessions, exhibits, the Welcome Reception, and the Presidents' Awards Dinner.

Package B: One-Day Registration

Includes admission to all sessions and exhibits on a specific day, with the exception of ticketed events. On the registration form, indicate the day you wish to attend.

Package C: Individual e-Conference

Members who cannot travel to the meeting can still be part of the meeting community via online access.

Package D: Institutional e-Conference License

Institutional Members: \$500 (CAD625)

Non-MLA Institutional Members: \$750 (CAD960)

Contact MLA Financial Services, Susan Chesniak, chesniak@mail.mlahq.org or 312.419.9094 x18, for the site license form.

Exhibits-only

Exhibits-only allows entry only to the Hall of Exhibits from Sunday to Tuesday for spouses, significant others, and persons working outside the profession. It does not provide admission to the Saturday Welcome Reception, plenary sessions, or meeting programming or access to online meeting content. Exhibit-only passes are sold onsite at the MLA Registration Desk for \$50 (CAD64).

Confirmations

If you register online, you will receive a confirmation by email within minutes. If you register by mail or fax, allow 5 days after receipt for an email confirmation. If an email address is invalid or missing, allow 2 weeks for a faxed confirmation. Please bring your confirmation letter with you to the MLA Registration Desk. Confirmations will be sent only to those who register prior to 11:59 p.m., central time, on May 6, 2016.

Member Discount

MLA members in good standing are eligible for discounted member rates. To qualify for member rates, MLA membership for 2016 must be paid by March 31, 2016. Nonmembers may join by paying dues with registration. An application is available at www.mlanet.org/page/joinmla.

Members of the following groups qualify for discounted registration rates:

- American Association of Law Libraries (AALL)
- Arbeitsgemeinschaft für Medizinisches Bibliothekswesen (AGMB) [German Medical Library Group]
- Association for Health Information and Libraries in Africa (AHILA)
- Association for Library and Information Science Education (ALISE)
- Australian Library and Information Association (ALIA)
- Canadian Health Libraries Association/Association des bibliothèques de la santé du Canada (CHLA/ABSC)
- European Association for Health Information and Libraries (EAHIL)
- International Clinical Librarian Conference (ICLC) attendees
- Japan Medical Library Association (JMLA)
- Korean Medical Library Association (KMLA)
- Medical Library Association of Nigeria
- Special Libraries Association (SLA)
- Taiwan Medical Library Association (TMLA)

Student Discount

You qualify for student rates if you hold student membership in MLA or CHLA/ABSC. Student members also qualify for continuing education courses (CE) and symposia for only \$50 (CAD64 for Canadian residents only) each, pending available space. You may join MLA as a student member when you register online or complete the membership form online at www.mlanet.org/page/joinmla.

Special Services

If you have a legal disability or dietary requirements, please include a written description of your needs with the registration form. Describe your needs and include an email address or fax number where you can be contacted for more information. MLA must receive the form by April 15.

Children

All children must have badges. Complimentary badges are available at the MLA Registration Desk. Children under thirteen are not permitted in the exhibit hall. Information about child care will be available at www.mlanet.org/meeting.

Cancellations

All cancellations for meeting registration and CE courses must be submitted in writing and faxed to MLA Registration at 312.419.8950.

Meeting cancellations received by March 31, 2016, are subject to a \$50 (CAD64 for Canadian residents only) fee. You will be assessed a \$50 (CAD64) fee for each CE course change or cancellation.

After March 31, 2016, MLA will give refunds only for documented medical emergencies. Refunds will be processed within six weeks after the meeting. MLA will honor written requests to transfer meeting registration or CE registration to another person without charge.

Quick response code to online registration.

Questions: For registration and meeting-related questions, please contact Susan Chesniak at 312.419.9094 x18 or chesniak@mail.mlahq.org. For continuing education course-related questions, contact Deb Cavanaugh at 312.419.9094 x32 or cavanaugh@mail.mlahq.org.

Travel Information

Canadian Ports of Entry

US Residents

A passport or equivalent government-issued travel document is required to cross into Canada and return into the United States.

How to apply for a passport (travel.state.gov/content/passports/en/passports/apply.html): If you start the process by January 31, 2016, you should have your passport well before the meeting in May. If you are applying for your first passport, you will need documents that prove your identity such as a certified birth certificate. You will also need a passport photo of a specific size and shape. After you mail your completed application, it will take four to six weeks to receive your passport. Expedited service is available for an extra fee.

Note: Some US citizens have a passport card, which is a wallet-size travel document that can only be used at land and sea entries into Canada. It cannot be used for travel by air. If you are a US citizen and plan to fly into Canada, you will need a passport.

International Visitors

Starting March 15, 2016, visa-exempt foreign nationals who fly to Canada will need Electronic Travel Authorization (eTA). Exceptions include US citizens and travelers with a valid visa. Learn more at eTA help (www.cic.gc.ca/english/helpcentre/answer.asp?q=1056&t=16).

Customs

When you arrive in Canada, you may be asked about the purpose of your visit. An appropriate response is "to attend a medical library annual meeting at the Toronto Convention Centre." Keep your meeting registration handy, just in case you are asked for additional verification.

Letters of Invitation

Please contact Mary Langman at langman@mail.mlahq.org to request a letter of invitation to "Mosaic: Be Part of the Big Picture," May 13–18, 2016, Toronto, Ontario, Canada, for your visa application.

Getting to Toronto

By Air

Airports

- Toronto Pearson International Airport (YYZ) receives flights from most major airlines in the world and is Canada's largest and busiest airport. The airport is approximately 27 kilometers (16.5 miles) from the city centre.
- Billy Bishop Toronto City Airport (YTZ) receives flights from their partner, Porter Airlines, from many cities in Canada and the United States. The airport is located on an island downtown (with amazing views when you're landing!) and provides a free shuttle to the Union Station area, a short walk to both hotels and the convention centre. Air Canada flights from Montreal also fly into the island.

Airlines

- Air Canada (<https://www.aircanada.com>), the Official Canadian Airline for Mosaic '16, is offering a special discount for the travel period Friday, May 6, 2016, to Wednesday, May 25, 2016. Log on to Air Canada, enter your promotion code (TNF8E6K1), and book your reservation to the city of Toronto, airport code YYZ.
- United Airlines (<https://www.united.com>) is offering a discount (2%–10% depending on zone) for travel May 10, 2016, to May 21, 2016. Book online and enter ZVGC396063 in the Offer Code box when searching for your flights. If you are booking through a travel professional or United Meetings at 800.426.1122, please give them the following information: Agreement Code: 396063, Z Code: ZVGC. Outside of the United States, please call your local United Airlines Reservation Office.
- Porter Airlines (<https://flyporter.com/Flight?culture=en-CA>) is offering a 15% discount on available base fares (with the exception of the lowest class fare during a public seat sale). Book online at Porter Airlines or through your travel agent using promo code MLA16. For any questions regarding Porter's services, please call 888.619.8622. The discounted fares are available for booking from October 5, 2015, to May 21, 2016, and are applicable for travel locations and dates below:
 - from anywhere in Canada or the United States to Toronto from May 10, 2016, to May 18, 2016
 - from Toronto to anywhere in Canada or the United States from May 13, 2016, to May 21, 2016

By Rail

- Via Rail (www.viarail.ca) runs frequent trains along the Quebec City to Windsor corridor that stop at Union Station, across the street from the hotel.
- Book Amtrak online reservations (amtrak.com) or call 800.USA.RAIL (800.872.7245).

By Car

- MLA has partnered with Avis to provide rental cars at a discounted rate. The Avis Worldwide Discount (AWD) number is **D317028**. The AWD will be effective from 7 days prior to the event until 7 days after the event. Reservations (avis.com) can be made online or by calling 800.331.1600. When calling Avis, please provide the AWD number to ensure the best available car rental rates.

Getting Downtown

Dollar amounts are in Canadian dollars.

- **Taxis, Limos, Uber Black Car:** Taxis and limos operate on a zone system and will charge you based on distance rather than time. Cost for a taxi is about \$60 (if you're lucky). Time? Depends on traffic, at least 25 minutes.
- **Rail Connection:** UP Express (upexpress.com) runs from the airport to Union Station, located across the street from the hotel. Trip is 25 minutes, making 2 stops along the way. Cost \$27.50 one way or \$53 round trip (attendees should be getting a group discount; more information to come). A \$55 family fare is also available for 2 adults and 3 children under 18 or 2 children over 18.
- **Rental Car:** MLA has partnered with Avis (avis.com) to provide rental cars at a discounted rate. The Avis Worldwide Discount (AWD) number is **D317028**. The AWD will be effective from 7 days prior to the event until 7 days after the event. Reservations can be made online or by calling 800.331.1600. When calling Avis, please provide the AWD number to ensure the best available car rental rates.
- **Public Transit:** An express bus (192 Airport Rocket) runs to Kipling Station, where you can transfer at no additional charge to the subway and make your way downtown, with a transfer at St. George Station or Spadina Station (better with lots of luggage), to Union Station across the street from the hotel. Cost is \$3 (may increase). Time 45–60 minutes.

Getting Around Toronto

- **Public Transit:** The Toronto Transit Commission (TTC) operates a system of subways, streetcars, and buses throughout the city.
- **Taxis**
- **Uber**
- **On foot:** Toronto, while large, is best experienced on foot. It's safe and clean, and people love tourists and will help you out if you get lost.

Finances/Dollar

A good way to obtain Canadian currency is to use an ATM in Toronto or when you enter Canada. There are plenty of ATMs around that should work with your bank.

Before you travel to Canada, contact your credit card company and let them know that you are travelling to Toronto, especially if you are not a regular traveler to Canada. Many credit card companies will see foreign locations being charged on your card, consider it to be suspicious behavior (i.e., identify theft), and may put a hold on your card.

Health Insurance

Before you leave your home country and if you carry health insurance, be sure to check to see if your health insurance and/or affiliated institution will cover expenses if you need medical attention in Canada. If they do not, you may wish to investigate the purchase of supplemental travel health insurance.

Hotel Information

Hotel Discounts

Reserve your hotel room in the official block, where you will get the best selection, lowest rates over the meeting dates, and free in-room WiFi. Plus when you book in the block, you have the best location for networking opportunities and help the association fulfill its contractual obligations, which provide the space necessary for the meeting at reduced costs and keep meeting registration prices down. Don't delay, hotel discounts are only available until **April 15, 2016, and are subject to limited availability.**

Official Hotels

Fairmont Royal York, Toronto: \$235 (Canadian dollars [CAD]) plus tax

InterContinental Toronto Centre: \$189 CAD plus tax

Make your reservation with onPeak, the official hotel reservation service for Mosaic '16:

- Check online (<https://compass.onpeak.com/e/42MLA16/o>) for current rates and availability.
- Call 800.243.1582. Best time to call is before noon or between 3:00 p.m. and 5:00 p.m., central time.
- Email requests and questions to mla@onpeak.com. Expect a response within forty-eight hours, not counting weekends and holidays.

For travel information, see MLANET (www.mlanet.org/page/travel-information).

Guarantee: You will need a valid credit card to make the reservation. A deposit equal to one night's stay is required. There are no change fees and no full prepayment required at the time of booking.

Cancellation: The deposit is refundable only if notice is received by the hotel at least seventy-two hours prior to arrival and a cancellation number is obtained.

Roommates: If you wish to split the room cost with other guests, please coordinate reservations with your roommates and then advise the hotel upon check in and check out. To locate a roommate, some members have used email discussion lists such as MEDLIB-L (www.mlanet.org/page/medlib-l-listserv).
