

From the Chair

Sarah Wade, MLS, AHIP
Assistant Medical Librarian
Medical Library, Jerry M. Wallace
School of Osteopathic Medicine

Hello from your NAHRS chair!

Well, here we are at December/January and our semesters are over and we have started thinking about what next semester holds for us. I hope that everyone had a wonderful fall/winter 2022 semester and were able to be productive and get done what you set out to do.

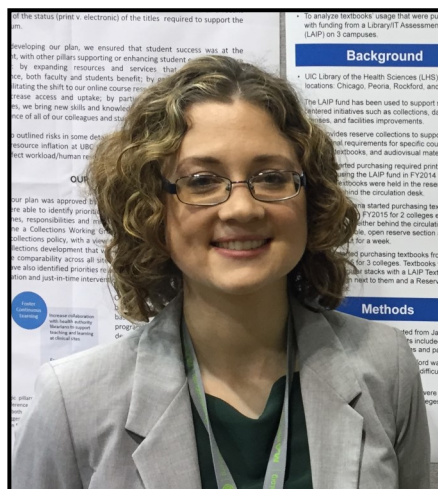

Inside this issue:

From the Chair	1, 5
Member Spotlight: David Duggar	2
Author! Author!	3-4

I wanted to give everyone an update on the NAHRS Nursing Essential Resources List Working Group, so I asked the chair of the group Rebecca Raszewski to provide me with something in writing. Here is what she had to say about the work being done:

“The NAHRS Nursing Essential Resources List Working Group (NNERL) has been meeting monthly since November 2020 to update the ENR list that was last published in 2012. The NNERL Working Group has completed using a rubric they developed to score the remaining 200 plus resources for the list. Since October 2022, the NNERL Working Group and volunteers from NAHRS have been adding tags to the resources with rubric scores that describe their format, cost, and area of interest.

Rebecca Raszewski

Over 80% of the resources have been tagged and the NNERL Working Group is beginning to review the tagged resources. I would like to thank the following librarians who took time out of their busy schedules to tag the resources: Michelle Bass, Marlowe Bogino, Jeannine Creazzo, Bridget Gunn, Kim Harp, Elizabeth Huggins, Sarah Katz, Sharon Leslie, Laura Lipke, Elizabeth Morgan, Ryan Norman, Lisa Lian Philpotts, Jamie Quinn, Mary Rickelman, Aida Marissa Smith, Faythe Thurman.

(Continued on page 5)

NAHRS Member Spotlight: David Duggar, MLIS, AHIP

Name: David Duggar, MLIS, AHIP

NAHRS MLA Member Since: 2002

First Professional Position: General Librarian, LSU School of Veterinary Medicine Library, Baton Rouge, LA

Current Position: Head, Liaison Section Program, Health Sciences Library, LSU Health Shreveport, Shreveport, LA

I support medical education and research within the Schools of Allied Health Professions, Graduate Studies, and Medicine coordinating the activities of the librarian liaisons, marketing and promoting the library's services and resources, and helping students, staff, residents, and faculty find the information they need to teach, learn, and heal. I am the liaison to eight programs in the School of Allied Health Professions and five clinical departments in the School of Medicine.

Education:

- BA in Biological Science & English (double-major), Florida State University
- MLIS, Louisiana State University

Favorite Website or Blog:

Google.com as a go-to source for random information. Booklist Webinars for diversity of topics, age groups, and book formats since can watch these any time after the actual presentation.

Involvement in MLA or library organizations: I have served on several MLA committees and as a committee member or officer in Cancer Librarians, Hospital Librar-

David Duggar, MLIS, AHIP

ies, and Nursing and Allied Health Resources caucuses (formerly sections) of MLA, and within the South Central Chapter of MLA. Currently:

- **MLA Bylaws Committee,** Member (6/2018 – 5/2021); Chair (6/2020 – 5/2021); Co-Chair (6/2021 – 5/2023)
- **South Central Chapter/ Medical Library Association,** Immediate Past President (2022 – 2023), President (2021 – 2022), President-Elect (2020 – 2021), Chapter Council Alternate (2017 – 2020)

I became a librarian/informationist because: I love science and helping people find information, and surprisingly teaching in the quasi-formal/informal setting. Cataloging was nice, but I prefer the interaction with people that reference, research, and education offer.

Issues that I see are big for NAHRS members in the profession are: Keeping up with changes in allied health as Masters programs become Doctoral programs, new programs being added (often as joint programs with other universities – such as MPH, or adding nursing – to get advanced degrees), increase in research requirements (publications, posters, papers) within the programs.

My bucket list includes: Learning what it takes to be a balloonist because I love the balloon rallies and festivals. Not sure that I truly want to ride in them. I was in two 'small' Mardi Gras and learned what it takes to put on a parade, ball, coronation, so learning what it really takes to operate a hot air balloon would be interesting. In a more steam-punk world, I would have loved to travel across the country in a dirigible (zeppelin, blimp, airship). I would like to take a passenger train across the country and a cruise – just not during hurricane season.

My favorite holiday is Christmas because of the baking of assorted cookies and desserts, the decorations and the lights, and the joy of giving to others.

In my spare time, I like to: read, write, paint, inkle/tablet weave, and watch "video plays" (like Headless: A Sleepy Hollow Story by Shipwrecked) and BBC mysteries.

Weirdest question/request I've had as a librarian: Just today was asked if we really are closed for Thanksgiving holidays by person staring at our holiday hours sign, and if there is anyplace else on campus that has computers to use over the four-day period.

Chair Column continued

(Continued from page 1)

We are going to have a draft for NAHRS members to review before the 2023 MLA Annual Meeting. Please let me know if you have any questions at raszewr1@uic.edu.

NAHRS Nursing Essential Resources List Working Group Members:

Karen Alcorn
Gary Atwood
Carolyn Dennison
Basia Delawska-Elliott
Alissa Fial
Diane Kearney
Rachel Lerner
Lorraine Porcello

Rebecca Raszewski, Chair
Kristyn Seeman
Rachel Keiko Stark
Sarah Wade"

I would really love to do an Experience MLA event focused in particular around the allied health portion of our caucus but don't currently have anything. If you have any ideas, please let me know.

As always, I would love to hear from you about your ideas for NAHRS and what you would like to see us do as a caucus. This can be anything and I welcome all ideas. Also, if you have questions about NAHRS or anything MLA related I want to hear that too. You can always reach me at swade@campbell.edu.
